Chris,

How does this sound for a statement to [Nonresponsive based on revised scope]?

"Environmental Restoration LLC. agrees to pay [Nonresponsive based on revised scope] to lease a parcel of land for use during EPA cleanup of Shiloh Church Road Site. The property will be used to stage vehicles and equipment 24 hrs. a day beginning July 15, 2019 for approximately 2 months."

Let me know if you want me to add or remove anything!

Thank you,

HAA, you poor guy.....

I was just talking with the OSC about this site and the DWO indicates that you should reach out to me to work with an owner for setting up rent of his land. It is a small driveway type tract of land. I have done some research and rent of apartments is around 500-600 month. This is a small tract with no utilities so 200 month seems reasonable. We will be setting up a decon line and rehab area on it. You can do your own research and I will leave it up to you to contact the owner and negotiate the cost. If he wants more, please request OSC approval prior to signing an agreement. The owners name and phone number:
